Imposition and Collection of Assessments in 2007**

INTRODUCTION

The Pittsburgh Mills Neighborhood Improvement District was created by an Ordinance of the Board of the Township Supervisors of Frazer Township adopted on October 7, 2003, wherein the district was created and the Annual Assessments were authorized to be imposed and collected. The Redevelopment Authority of Allegheny County Redevelopment Bonds, Series 2004 in the aggregate amount of \$50,000,000.00 were issued pursuant to the provisions of the Pennsylvania Tax Increment Financing Act, P.L. 465, approved July 11 1990, 53 P.S. § 6930.1 et seq., as amended, and the Local Government Unit Debt Act, 53 Pa.C.S.A. §§ 8001 et seq., as amended. The bonds are to be repaid from Assessments levied on each parcel of assessed property within the district.

The Assessments have been imposed on the assessed property within the Pittsburgh Mills Neighborhood Improvement District pursuant to the Special Assessment Ordinance. The Assessments are equal to the interest and principal on the bonds and estimated administrative expenses related to the bonds. The Assessments are due and payable each tax year as the Annual Assessment. The Annual Assessments for each tax year are shown in the Assessment Roll, attached hereto as Appendices A-1 and A-2. An Annual Credit may be applied to the Annual Assessment each tax year. The resulting amount is equal to the Annual Payment, which is to be collected from the assessed property in the district.

The Assessment Roll is to be amended each year to reflect “(i) the current parcels in the district, (ii) the Special Assessment for each parcel, including any adjustments to the Special Assessments, (iii) the Annual Payment to be collected from each parcel for the current tax year, (iv) any changes in the Annual Assessments, (v) prepayments of the Special Assessments, and (vi) any other changes to the Assessment Roll.” This report has been prepared to show the calculation of the Annual Payment and the amendment of the Annual Assessment Roll for the imposition and collection of assessments in 2007.

ANNUAL ASSESSMENT

The Annual Assessment is the assessment due and payable each tax year on the assessed property within the district. The Annual Assessment imposed and collected in 2007 is equal to \$3,645,808.00.

ANNUAL PAYMENT

The Annual Payment each year is equal to the Annual Assessment less the Annual Credit. The Annual Payment is the amount due and payable from the assessed property each year. The Annual Credit is described in the next section.

The Annual Payment on each parcel of assessed property for each tax year is equal to the Annual Assessment Rate multiplied by the principal portion of the Special Assessment for each parcel of assessed property. The aggregate amount of the Annual Payments on all of the parcels of assessed property in any tax year shall equal the Annual Revenue Requirement for such tax year.

ANNUAL CREDIT

The Annual Credit for each tax year is equal to the Annual Assessment less the Annual Revenue Requirement for each parcel of assessed property.

Annual Revenue Requirement

The Annual Revenue Requirement is defined as follows:

For any tax year, the sum of the following, (1) regularly scheduled debt service on the Bonds to be paid from the Annual Payments except for principal and interest on the bonds to be paid from Special Assessment Prepayments on deposit with the trustee; (2) periodic costs associated with such bonds, including but not limited to rebate payments and credit enhancements on the bonds; and (3) administrative expenses; less (a) any credits applied under the bond indenture, such as interest earnings on any account balances, and (b) any other funds available to the bonds that may be applied to the Annual Revenue Requirement.

Table B provides a summary of the Annual Revenue Requirement for the 2007 tax year, which is to pay aggregate debt service and expenses in during 2008. Each of these numbers is explained in the following sections.

Estimated TIF Revenues

Pursuant to a Cooperation Agreement regarding The Frazer Mills Tax Increment Financing District dated as of December 1, 2004 (the "Cooperation Agreement"), the Authority, the County, the Township, and the Deer Lakes School District (the "School District") have agreed that certain incremental real estate tax revenues derived from real property located within the TIF District (the "TIF Revenues") from and after the date of creation of the TIF District will be used to pay debt service on the Bonds and certain related charges. The Township, the County, and the School District are collectively referred to as, the "Taxing Bodies".

Pursuant to the Cooperation Agreement and the Indenture, all Tax Increment Revenues collected are pledged to secure the Bonds and shall be deposited into the Tax Increment Fund. The Tax Increment Revenue consist of a percentage of the real property taxes collected in the TIF District in excess of the base assessed value less the amount payable to the respective Taxing Bodies as provided for in the Cooperation Agreement. The real property taxes to be collected from each taxable parcel in the TIF District are shown in Exhibit A, which is attached here to.

The base value of the taxable property in the TIF District for the base year, which was December 31, 2002, was equal to \$1,331,000. As shown by Exhibit A attached to this report, the assessed value for all parcels in the district as of January 31, 2007 is equal to \$260,014,455. The incremental assessed value is, therefore, estimated to equal \$258,683,455 (\$260,014,455 - \$1,331,000 = \$258,683,455). Taxable property in the Allegheny County are

subject to real property taxes imposed by three separate taxing bodies namely, the county, the local municipality and the local school district. The millage rates for each of the three taxing bodies and the estimated TIF revenues resulting from the incremental value, which is to be collected by the three taxing bodies for fiscal year 2007 is estimated to be \$7,563,904.22 as shown in the table below.

Table E

Estimated TIF Revenues to Authority	\$300,719.52	\$4,759,775.57	\$909,919.05	\$5,970,414.14

The Cooperation Agreement provides for all tax revenues collected from parcels within the district to be deposited into the Tax Funds for each taxing body that is held by the trustee as the Escrow Agent. After deduction of base tax, each taxing body shall receive a certain percentage of the TIF revenue. The township and the county will each receive a share equal to 25% and the school district will receive 20% of the total TIF revenues collected each year. The estimated TIF revenues due to the taxing bodies and the Authority are shown in the table above. Accordingly, the estimated TIF Revenues that will be available debt service and administrative requirements for fiscal year 2007 is equal to \$5,970,414.14.
